

## Instructions for Poster Presentations

### 1. Size of board

Width 900 mm × height 2000 mm

Please make posters within the range that fits on the board.

Recommended size: A0 (width 841 × height 1189 mm).

※ In the case of A0 (width 841 × height 1189 mm), because the width is larger than the board, about 10 mm will protrude, but posting is possible. We appreciate your understanding, thank you.

### 2. English notation

Please write in English those of Title, presenter, affiliation, diagram, table caption, axis, legend.

### 3. How to display your poster

Thumbtacks should be used. (Do not use Magnets, Tapes, Adhesives & Clips.)

CerSJ will provide the thumbtacks.

Only the presentation number will be marked on the board. Please put your poster up in the designated place.

### 4. Timetable for poster presentation
