Instructions for Poster Presentations

1. Size of board

   Width 830 mm × height 1630 mm

   Please make posters within the range that fits on the board.

   Recommended size: A0 (width 841 × height 1189 mm).

   ※ In the case of A0 (width 841 × height 1189 mm), because the width is larger than the board, about 10 mm will protrude, but posting is possible. We appreciate your understanding, thank you.

2. English notation

   Please write in English those of Title, presenter, affiliation, diagram, table caption, axis, legend.

3. Hoe to display your poster

   Thumbtacks should be used. (Do not use Magnets, Tapes, Adhesives & Clips.)

   CerSJ will provide the thumbtacks.

   Only the presentation number will be marked on the board.

   Please put your poster up in the designated place.
