

Instructions for Poster Presentations

1. Size of board

Width 900 mm × height 2000 mm

Please make posters within the range that fits on the board.

Recommended size: A0 (width 841 × height 1189 mm).

※ In the case of A0 (width 841 × height 1189 mm), because the width is larger than the board, about 10 mm will protrude, but posting is possible. We appreciate your understanding, thank you.

2. English notation

Please write in English those of Title, presenter, affiliation, diagram, table caption, axis, legend.

3. How to display your poster

Thumbtacks should be used. (Do not use Magnets, Tapes, Adhesives & Clips.)

CerSJ will provide the thumbtacks.

Only the presentation number will be marked on the board. Please put your poster up in the designated place.
