Instructions for Poster Presentations

1. **Size of board**

   Width × height: 900 mm × 2100 mm

   Please make posters within a range that fits on the board.

   Recommended size: A0 (width × height: 841 mm × 1189 mm)

2. **How to display your poster**

   Thumbtacks should be used. (Don't use magnets, tape, adhesive, neither clips)

   The Pacrim13 office will provide the thumbtacks.

   The presentation number will be put on the board. Please put your poster up at the designated place.
